Time cannot steal the treasures
That we carry in our hearts
Nor ever dim the shining thoughts
Our cherished past imparts . . .
And memories of the ones we've loved
Still cast their gentle glow
To grace our days and light our paths
Wherever we may go.

This fall the band only competed in three shows. The first was the Cavalcade of Bands, at WMU. They received two trophies and first place. The next competition was at Reed City. This was the first year that Flushing participated in this show. They received trophies for best drums, best colorguard, highest drum score, the highest score in marching and maneuvering, and the trophy for first place. The last show that the band competed in was the Bridgeport competition. At Bridgeport they won the show and also got the best drum score accompanied with a trophy. The drum majors also received a trophy at Bridgeport. The band were also hosts at their own show held at Atwood Stadium, where they were only exhibition. The band also appeared at the North-South Shrine game played at the Pontiac Silver Dome. Congratulations Band and Good Luck!

Business and Office Education Club is a club for those students who have a career goal in the area of business; secretarial, accounting or management.

Julie Williams, Rebecca Burden, Debbie Wesolowski, Susan Davis, Linda Steinbock, Cindy Prince, Paul Neminski, Jenny Schimof, Sharon Walworth.

Art Workshop

This workshop is for kids who come up on their own, Wednesday nights, to spend more time on projects that they normally wouldn't have time to do in the given class period. They have time to do things they really want to do such as paint, sketch, take pictures, etc.. The whole evening may not be spent working though, one tends to hear the faint echo of a banjo being plucked.

Our Raiderettes Dance to the Music

This year the Raiderettes have expanded with 7 seniors and 22 juniors. They perform at various home football and basketball games, pep rallies, Gala Sports Night, and the Homecoming parade. With the help of their new coach, Miss Dicky, they have added more modern dance to their routines. Their performances have highlighted the halftime activities.

DEBATE

The debate team had another successful season. During the season, the team made an impressive showing in the Genesee County Debate League finishing in third place in both levels of competition. The varsity, consisting of Roy Weiss and Martha Baker, negative, and Scott Rynearson and Glen Klamer, affirmative, closed the season with a record of 16 wins and 4 losses. While the J.V. team with Floyd Evans, Mike Ocalloghan, Debbie Decker, and Patty Mulkins finished with a 15 and 5 record, good for a third place trophy. Both Patty Mulkins and Roy Weiss distinguished themselves by winning individual honors in league and tournament competition.

Forensics

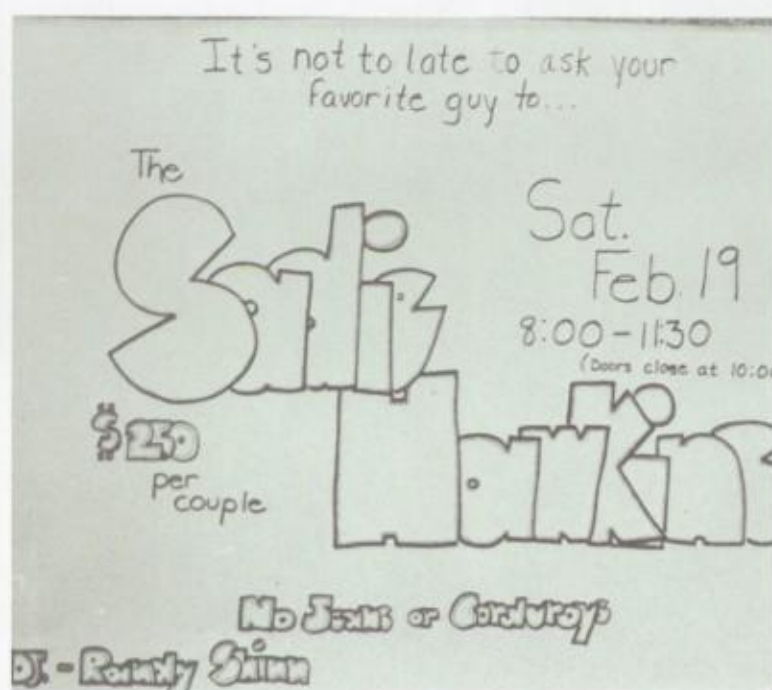

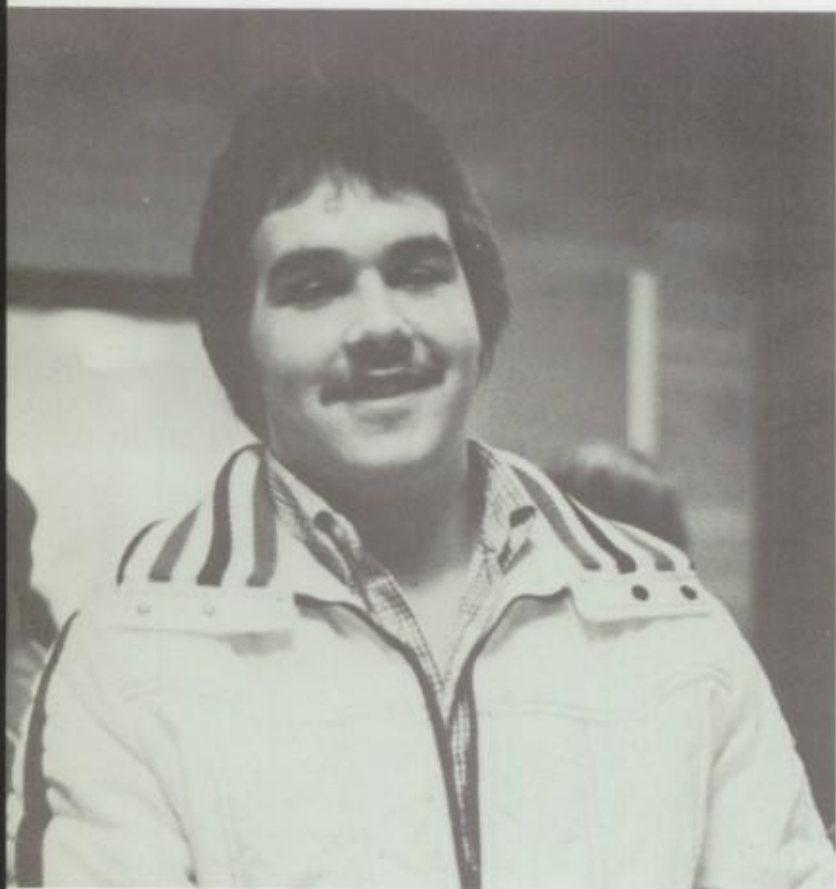

Once again, the forensics team has grown both in numbers of students competing and areas of competition entered. The team this year consists of: Jeff Garrity and Roy Weiss, extemporaneous speaking; Scott Rynearson, Patty Mulkins and Glen Klamer, original oratory; Chris Tomcala, serious interpretation; Mary Heidenberger, story telling; Larry Russell and John Mesaros, radio news; Mark O'Brien, humorous readings; Mike Ocallaghan, informative speaking. They competed on Feb. 26 at Garber, March 19 at Frankenmuth, at the Genesee County Invitational and in districts basted by Flushing High School.

Raider Football —

You Can't Stop That Orange Machine!

The Flushing Varsity Football team, consisting of 23 seniors, 22 juniors, and 2 sophomores completed its season with a league record of 5-3 and an overall record of 6-3. This fine record can be attributed to the efforts of our hard working coaches and team.

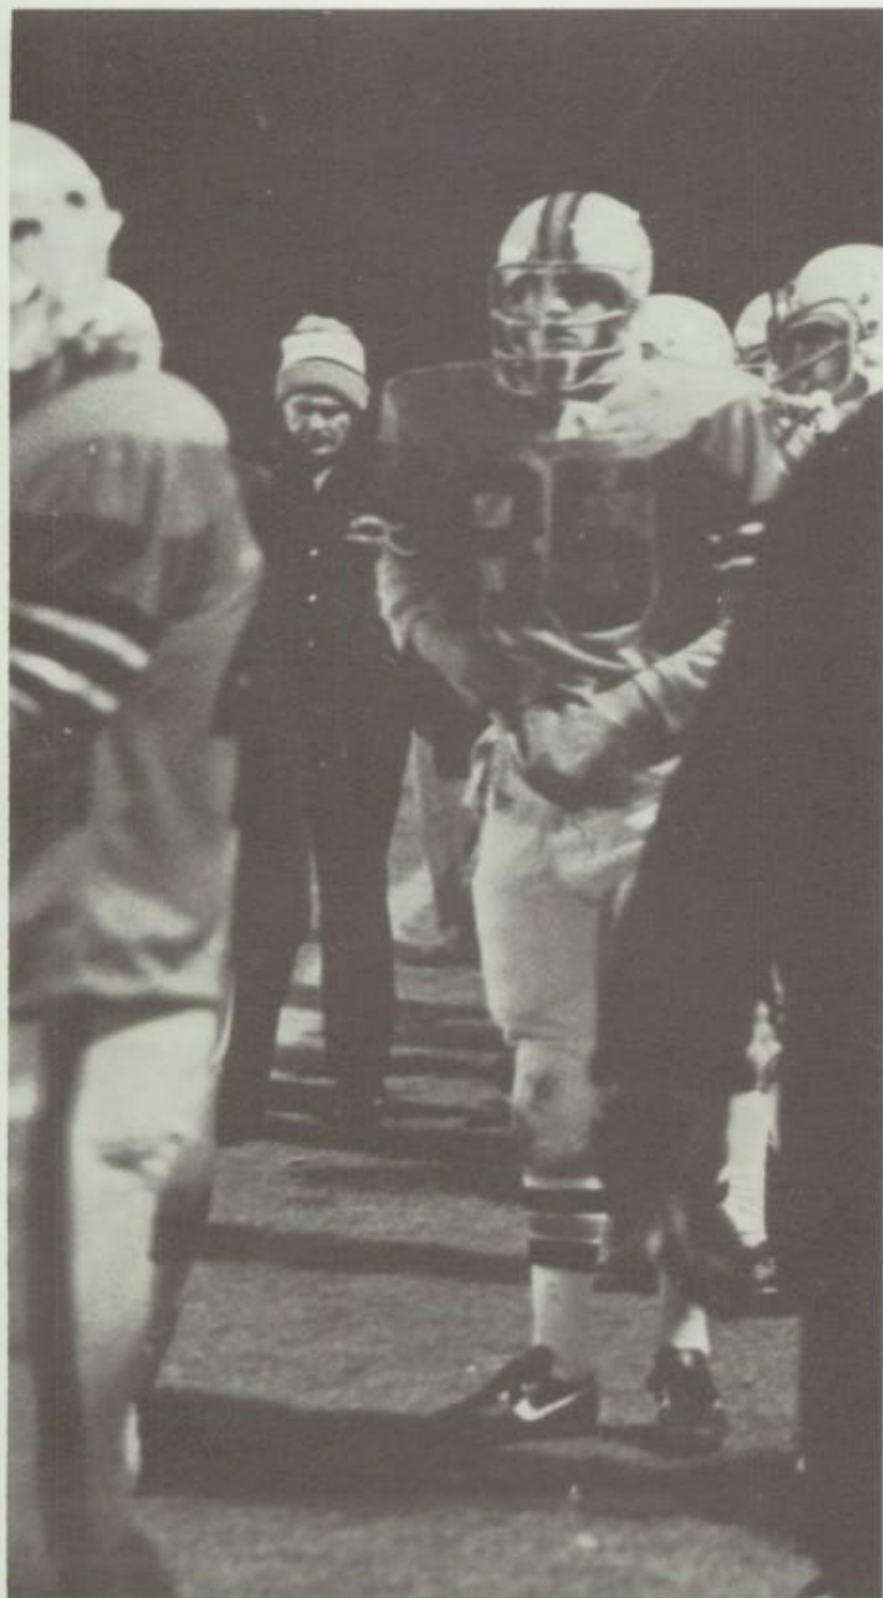

The offense, led by Coach Noe, gained 2215 yards in total offense. Dave MacDonald, playing only in 6 games was the leading rusher with an average of 82 yards per game. Chris Kagey also excelled on offense gaining 449 yards. Senior quarterback Paul Cason had an excellent season gaining 85 yards and completing 45 out of 120 passes. Kirk Meiklejohn earned the recognition of second in the Big Nine for 20 passes caught for 347 yards.

The defense handled by Coach Smith had a fine year too. Gary Foxworth and junior Paul Steinborn led the team in interceptions with 4 each.

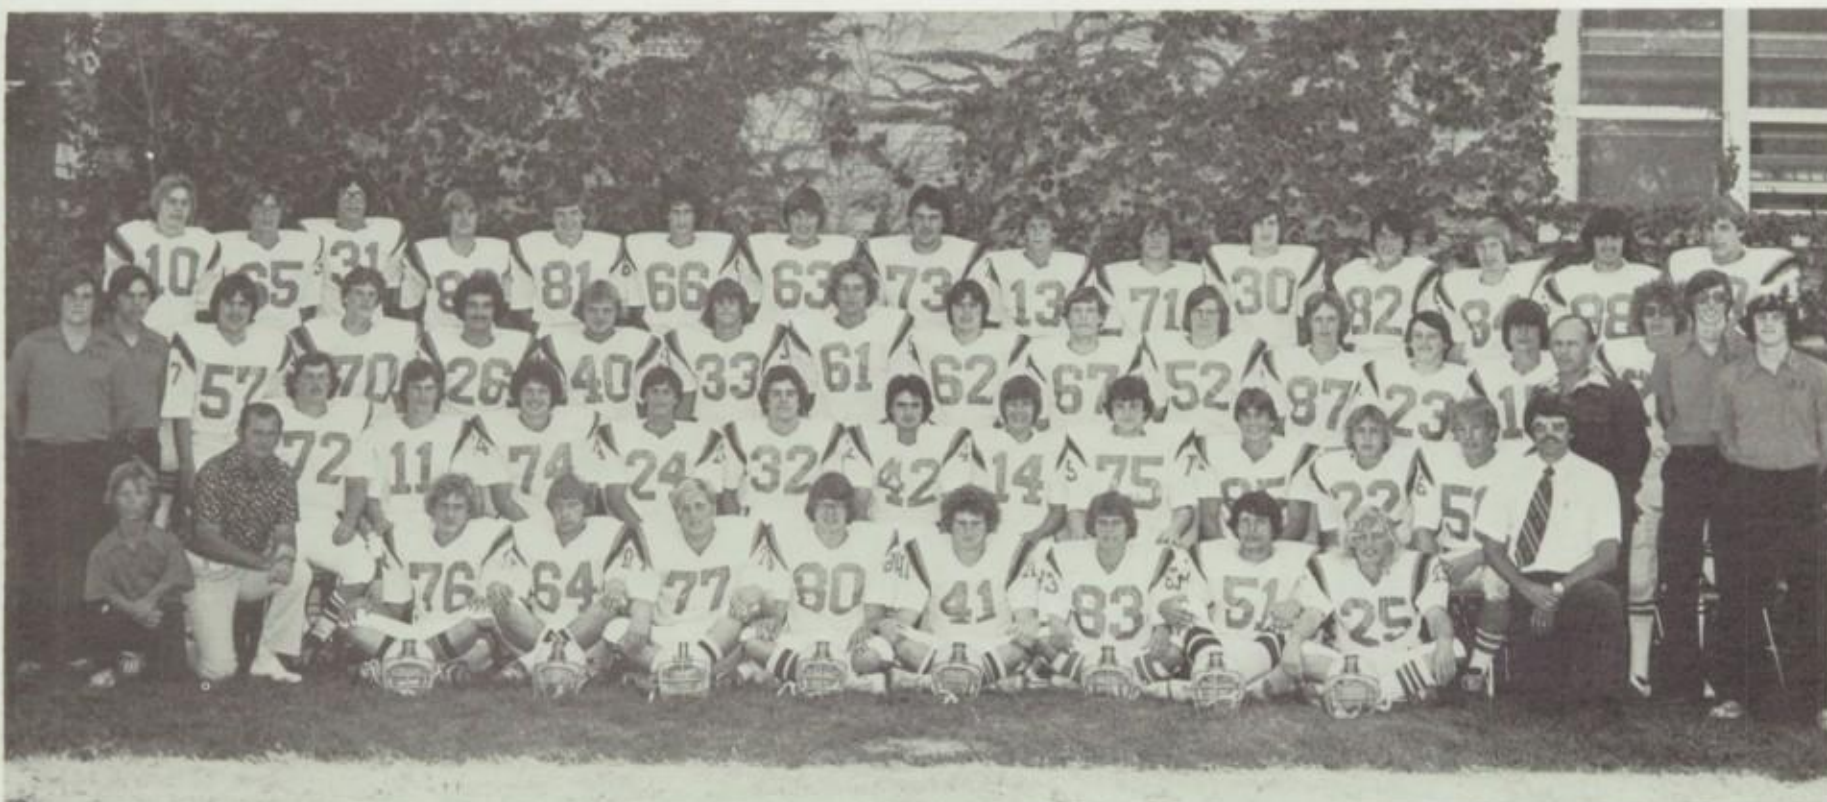

The speciality teams under the supervision of Coach Robertson have again proven their ability to hold their ground against opposing teams.

With the juniors who gained experience this year, and the hard-working that will be coming up, we are all looking forward to a winning season in '77.

Varsity Golfers — Tee Off to a Great Season!

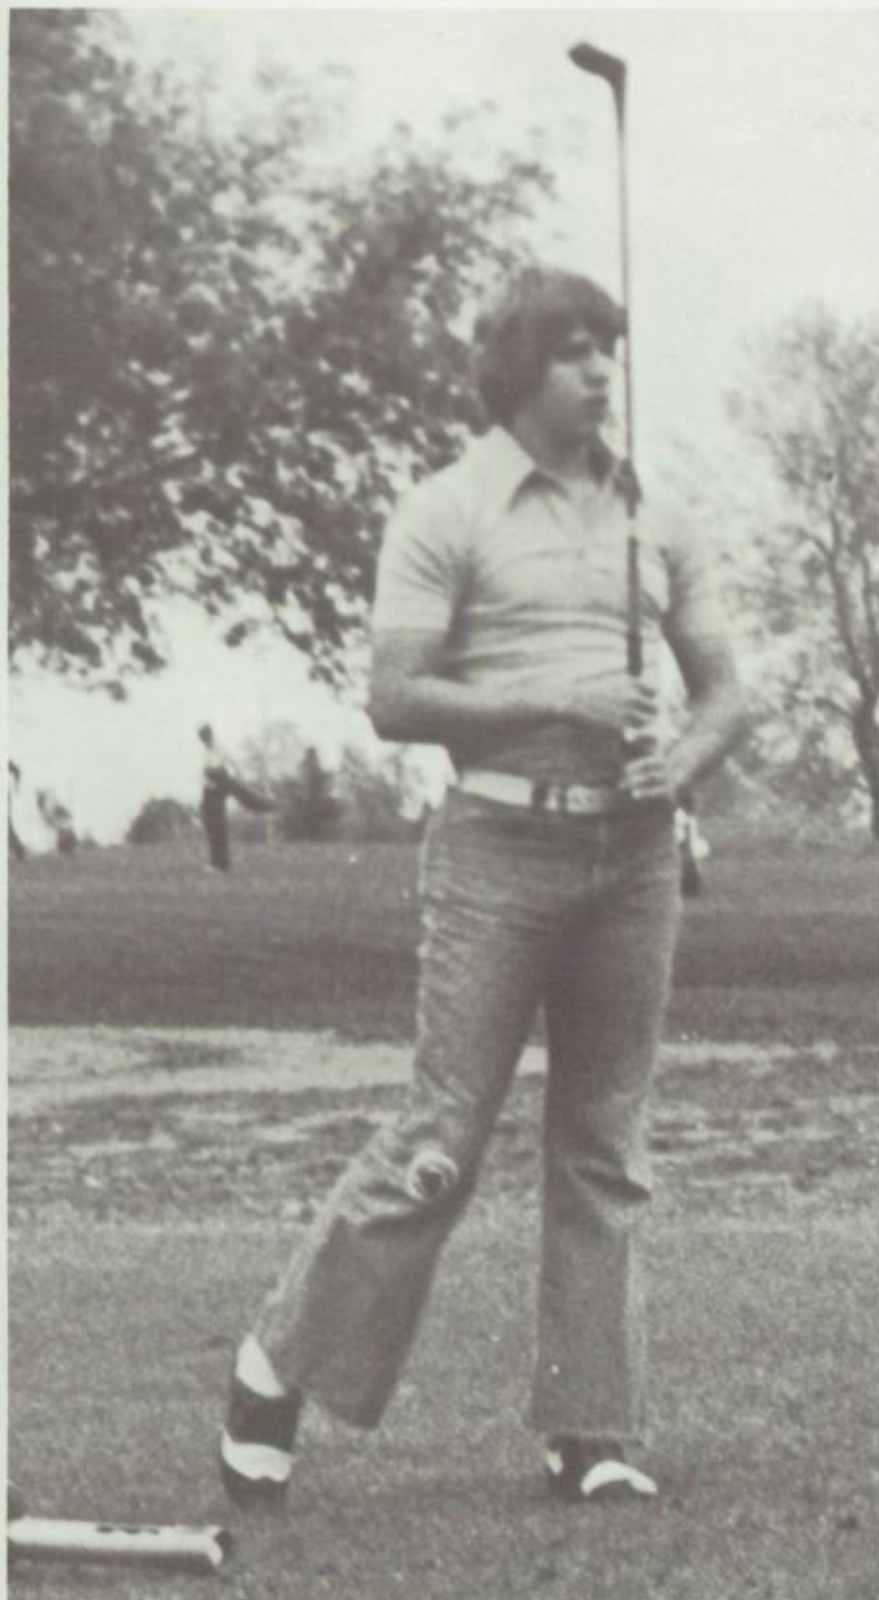

Senior - Dave Klamer

With only two returning lettermen Flushing's golf team got off to a slow start. The season ended with a record of 10-9 in dual matches, and the golfers placed 5th in the Big Nine. Sophomore, Mark Chapleski, helped the team place a strong 4th out of 21 teams participating in regional competitions. Mark also made the all conference team. Junior Kevin Lieffers and Kurt Lang followed with honorable mention. As a rebuilding year Coach Vince sees great prospects for his eager underclassmen.

Girls Tennis Swings Into Action

The performance as well as enthusiasm of the girls tennis team was at tops this year. Coached by Miss Poore, the girls strenuous practices proved beneficial as the season ended with an 11-3 dual match record. The team took second place in the Big Nine and sixth in Regionals.

The Junior dominated team has high hopes for an increasing amount of participation from underclassmen next year. We anticipate an even stronger and more promising future for the netters.

Melissa Jenniches

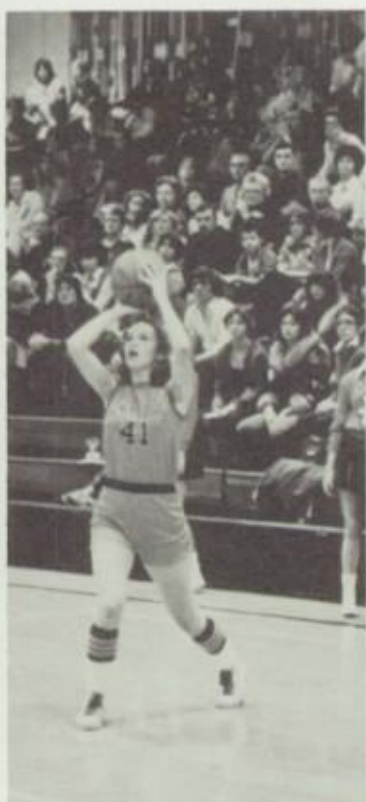

Due to the hard work and determination of the girls and the great coaching efforts of Mrs. Brier, the girls won the Big Nine Championship for the fifth year. A big factor in their victories has been the K-K combination of Karen Waters and Kris Hansen. Their league record was 16-2. They beat Northwestern and Northern in district competition, and are on their way to the Regionals. The girls are looking for a winning season again next year with nine letterwomen returning.

It has been another superb year for the Raider basketball team. The team had an overall record of 16-4 and in league play, our cagers placed second with a record of 16-3. Another addition to this great season were Swartz Creek and Carman games, in which the Raiders scored over 100 points. The win record of 16, is the most games ever won by a basketball team in Flushing. In his first year at the position of varsity basketball coach, Mr. Ballagh has displayed fine talent, and we wish him continued success in the future.

We hope that future Flushing basketball teams will follow the fine standards of playing and good Sportsmanship of the 1976-77 basketball team.

This year the Raider volleyball team has expanded to twice the size of last years. With 3 games left to go, the girls have a 11-5 record on the A team, and 10-6 B team record, good for third place.

Leading in serving now is Mary Rau with 94% Accuracy. Other members in the 90% range are Karen Waters and Kris Hansen. Once again the K-K combination of Karen and Kris works for Flushing. Kris sets the ball, and Karen spikes it, with 67% efficiency, and Karen scores on spikes 43% of the time.

With only 3 seniors leaving, we have very high hopes for the girls next year.

Mr. Whitmer - Counselor

Miss Dickey - English

COUNSELORS

The counseling department is concerned with helping the students deal with classes, scheduling, and personal problems. They are a great asset to the high school staff, because they get to know and understand the students. As you can tell by their expressions, they really are a serious group of people!

LIBRARIANS

Two important women in the school are the librarians. They show students where to find information for book reports, term papers, etc., and everybody has had to do one of those some time or another! By the looks on their faces, they've come across a problem, but no doubt they can find a book on how to solve it!

ENGLISH

Considering that the majority rules, the English Department will be continued on the next page.

Mr. Harshfield

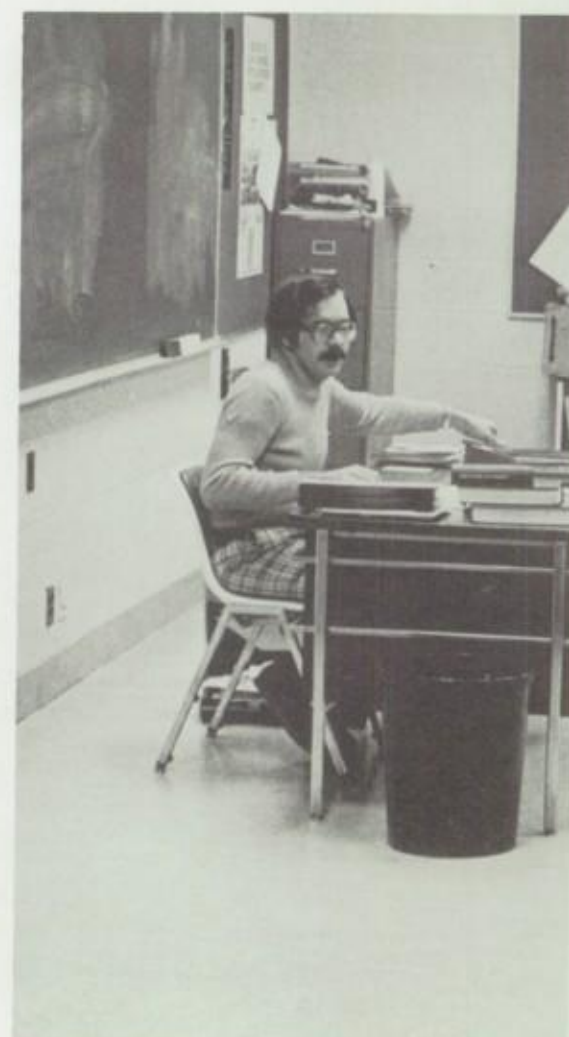

Mr. Hamilton

Miss Barnes

Mrs. Rowland

Mr. Sexton

Mrs. Rundell

Mrs. Chovanec

Mrs. Andrus

ENGLISH

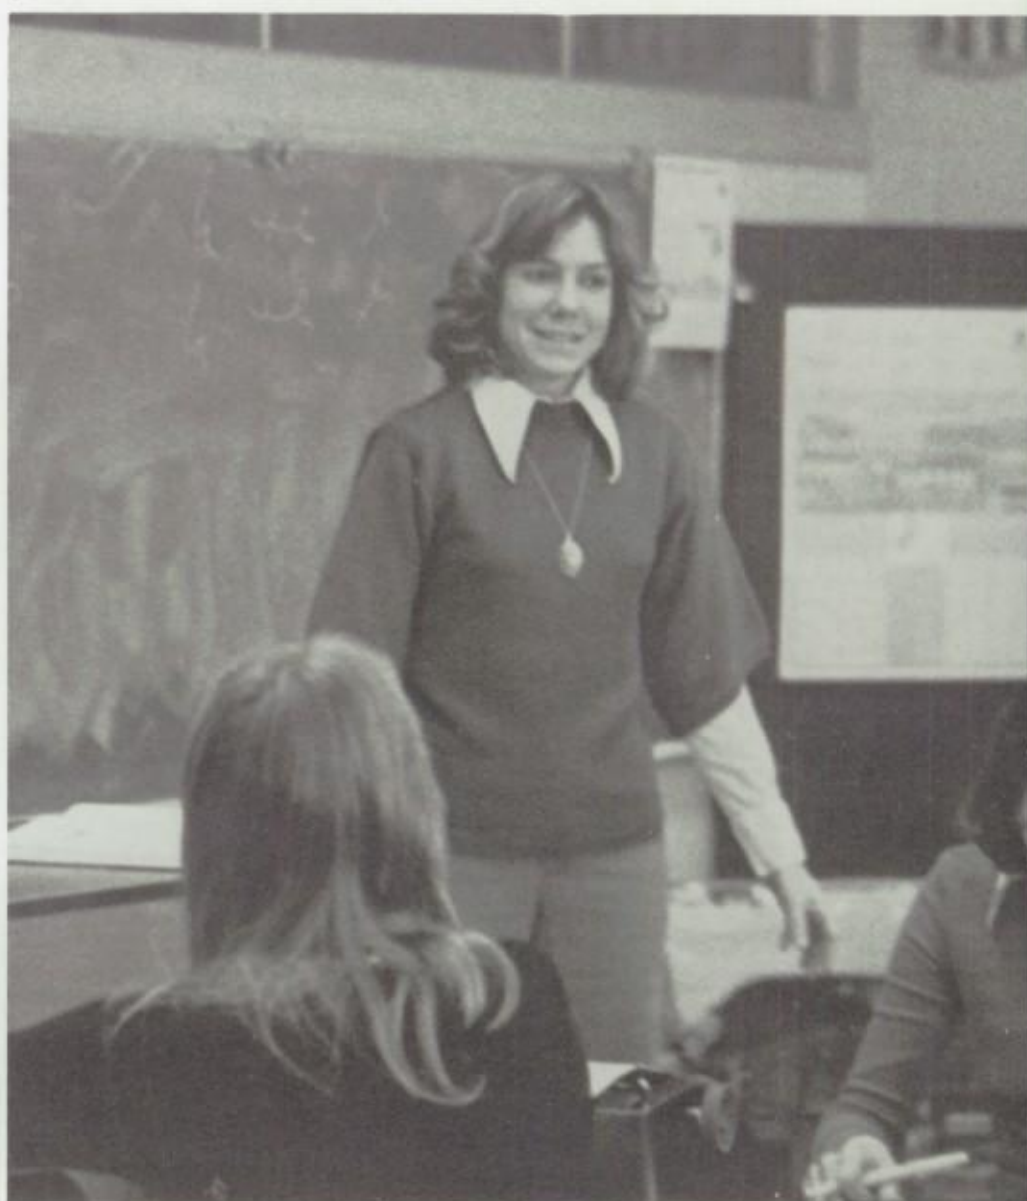

The English Department's main concern is the student and his knowledge of language and literature. The variety of classes offered are creative and interesting. The teachers are always willing to give extra help to anyone who needs it, as Mrs. Rundell shows.

Mrs. Perrone

Mr. Marx - BUSINESS

Miss Makowski - BUSINESS

188 Mr. Bemis - BUSINESS

Mr. Kern - BUSINESS

Mr. Van Pelt - BUSINESS

Mr. Noe - BUSINESS

Mrs. Wells - BUSINESS

Business

If you want to prepare yourself for the working world, these teachers can give you the basics you will need. Subjects range from accounting, to business law, to typing. As you can see, Mrs. Wells loves to operate the equipment available to classes. Correctly typed reports seem to make Mr. Marx's day.

Miss Poquette - BUSINESS

Home Ec

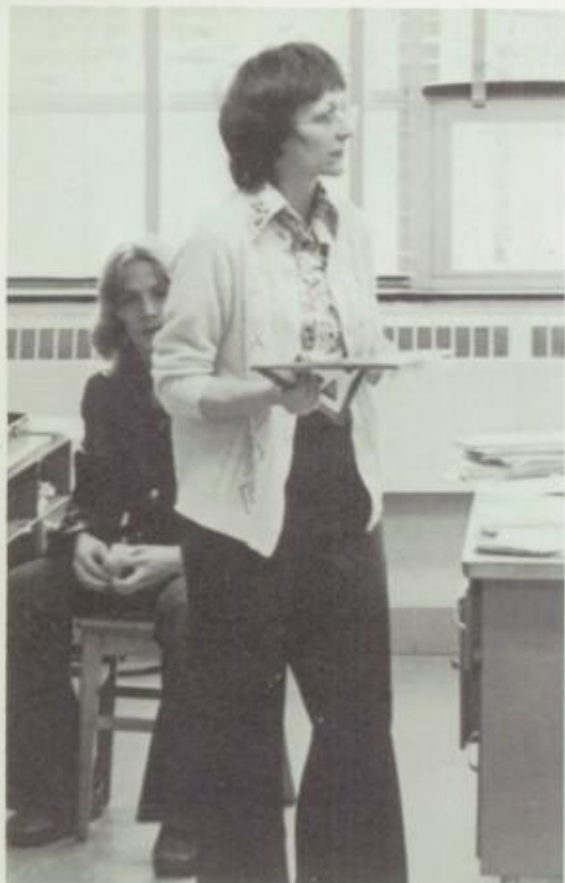

If preparing balanced meals and becoming efficient in home management is what you have in mind, the home ec department is ready to help you. Other topics such as nutrition are also taught. This seems to be on Mrs. Fensch's mind as she stocks up the refrigerator.

MATH

The Math Department is doing a terrific job teaching the students to learn more about the complexity of numbers. The subject is a difficult one to teach, and as seen in the candid, even the teachers need a break once in a while!

The Hideout

Mr. Prohazka - Phys. Ed

Mrs. Olive - Phys. Ed.

Mr. Harland - Phys. Ed.

PHYSICAL EDUCATION

The Physical Education Department is designed to keep students physically fit and active. The department consists of six coaches and teachers who do their job by really making the kids work, but the students have fun at the same time. As you can see by the looks on Coach Harland's and Coach Smith's faces, they are serious about their work, but they really are nice guys.

SOCIAL STUDIES

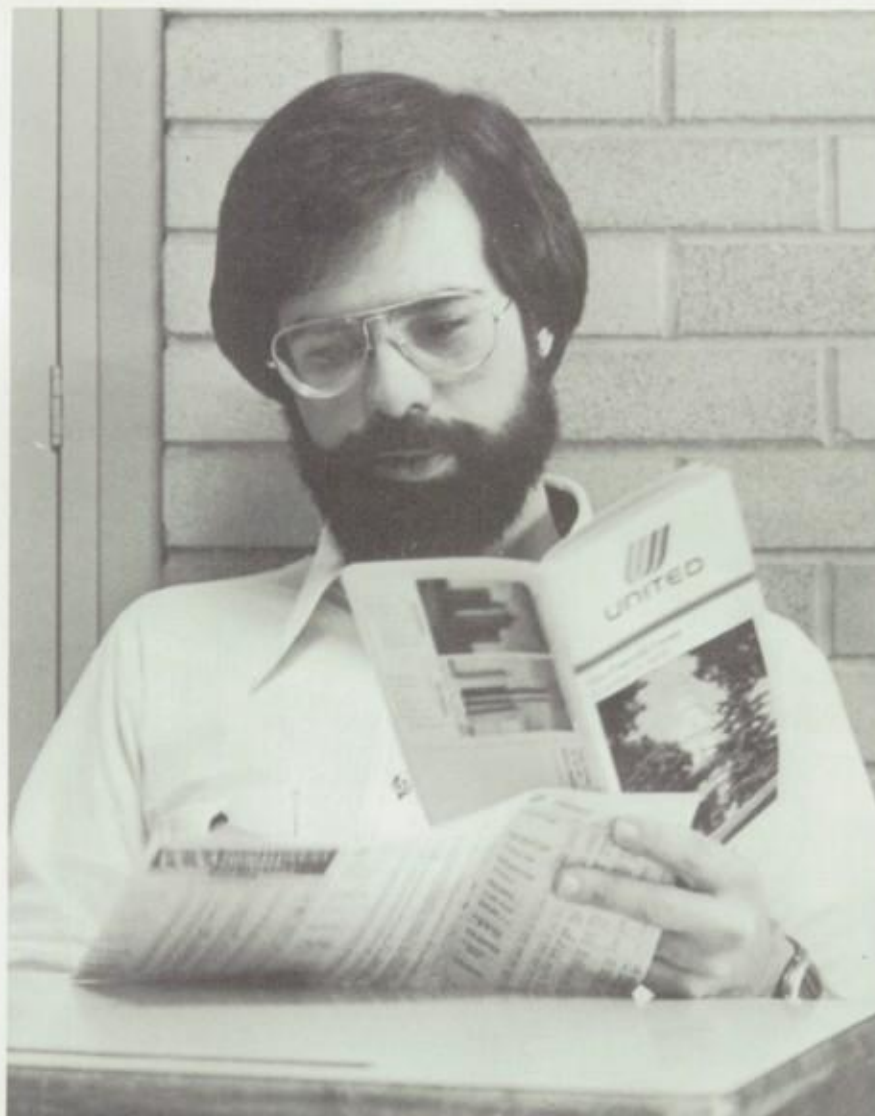

The majority still rules, so this department will be continued on the following page.

Mr. Smith - Social Studies

Mr. Martin

Mr. Gandolfi

Mr. Gromak

Miss McLalin

Mr. Evans

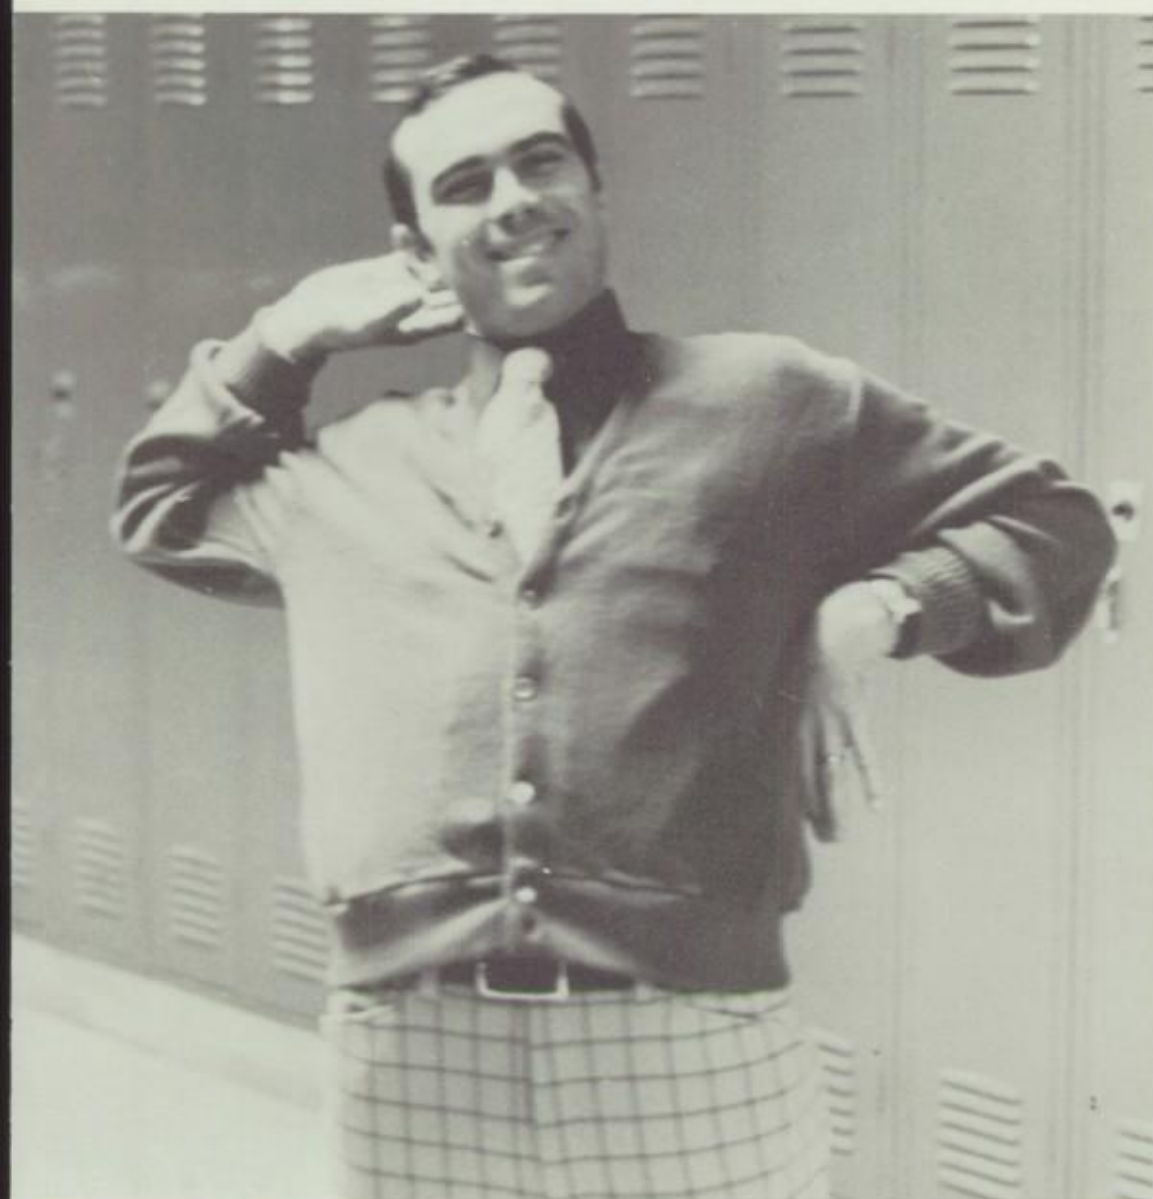

Mr. King

Mr. Yeagley

Mr. Mikolowski

Mr. Ballagh

SOCIAL STUDIES

The social studies department is concerned with giving students sound background information on history, government, and current affairs. As you can see, Mr. Gandolfi's main concern is focused on exploring other places rather than teaching about them. Mr. Ballagh also shows great enthusiasm towards his work.

Art

Mr. Wolfgang and Mr. Winkiel teach their students to express themselves creatively through drawing, painting, photography, and other media. Here Mr. Wolfgang takes a coffee break before inspiring his next class.

Science

If you have some questions concerning chemistry, physics, or biology, the science teachers can help you with them. Mr. Hughes already knows the answer to one problem and Mr. Yenior is working hard to solve another.

MUSIC

The music department has a lot to be proud of again this year. Many fine instrumentalists and vocalists have come out of this department, thanks to their good instructors.

SPECIAL NEEDS

Some other important people in our school in addition to the administration and teachers are the new school nurse, psychologist, and social worker, the two special needs teachers. Also pictured is Mr. Cory who just joined the counseling staff.

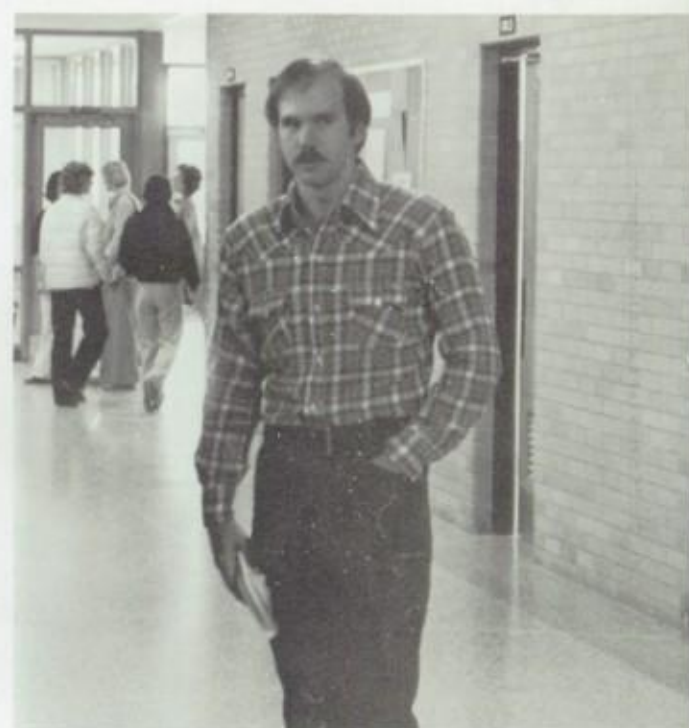

Ms. Murphy - School Nurse

INDUSTRIAL ARTS

If you enjoy working with wood and metals, the Industrial Arts department has the instructors that can show you the right way to build what you need. There are many other topics such as auto maintenance and mechanical drawing. Here Mr. Hoffman demonstrates the strength required to participate in the house construction program.

Co-Op

The Co-op Department allows students a chance to work and carry normal class hours as well. Responsibility and dependability are stressed. As you can see by Mrs. Roberts' expression, the Co-op department is always willing to help.

All right, you two!
